

PREVENTING YOUTH HOMELESSNESS STARTS HERE

WHO WE ARE

At Wyre Forest & South Worcestershire Nightstop and Mediation Service, **we believe that every young person deserves a safe place to sleep.**

We work to support young homeless people of today, as well as provide services to help prevent situations before they reach crisis point.

We are a registered UK charity based in Kidderminster and we are here for those who need us in the areas we support – across Wyre Forest, Wychavon, Worcester and Malvern Hills Districts, completely free of charge. We rely on the kind support of our community to help us provide our vital services.

WHAT WE DO

HOMELESSNESS PREVENTION

We provide emergency accommodation for 16–25 year olds in the homes of trained volunteer hosts.

FAMILY MEDIATION

We offer mediation services to young people aged 11–25 and their families to resolve conflicts, prevent family breakdown and future homelessness.

SCHOOLS EDUCATION

We deliver an education programme to schools to increase awareness of our services and give students an understanding of youth homelessness.

LIFE SKILLS TRAINING

We deliver life skills training in Health and Wellbeing, and Maintaining a Tenancy.
