

HELP US END YOUTH HOMELESSNESS ACROSS WORCESTERSHIRE.

GET INVOLVED.

This year, we're proud to celebrate 20 years of providing safe, emergency accommodation for young people in crisis. To mark this milestone, we are calling on our community to join our mission: to end youth homelessness.

Whether you are a local business, school, group or individual wanting to make an impact locally, we would love to have your support.

MAKE A DIFFERENCE.

Your contribution can make a life-changing difference:

- £100 would provide 20 hot meals for young people in crisis.
- £1,500 would support 100 safe overnight stays for young people facing homelessness.
- £2,000 would fund 50 family mediation sessions with our specialist team and have a lasting effect preventing future homelessness.
